

★ ★ ★ ★ *Nominate A Candidate* ★ ★ ★ ★

The Annual Heart and Soul Awards Dinner affords an opportunity to all of our community organizations to honor that individual who they feel exemplifies what there membership stands for. Once again, we would like you to consider nominating someone who is or has served in the armed forces. We would like to acknowledge in a special way the tremendous sacrifices these men and women have made and continue to make in service to our community. We do realize that not every organization may have a service person to nominate. In the case where your nominee has not served in the armed forces, please know that their allegiance and commitment to the community will be honored as well.

Name of Nominating Organization: _____

Name of Nominee: _____
